aliamanzoor680@gmail.com | linkedin.com/in/aliamanzor | behance.net/aliamanzor

PROFILE

UI/UX and Product Designer with 4+ years of experience creating intuitive websites, mobile apps and digital products. Combines user research, thoughtful interactions and visual design to turn complex ideas into simple, engaging experiences. 50+ projects delivered.

EXPERIENCE

The Maddex | UI/UX Designer | 2025-2026

Product strategy, website UX and design-to-development handoff for a growing digital product. Improved feature adoption by 20-25%, reduced bounce rate by 30% and lifted engagement by 25%. Improved website performance and perceived load times by 35-40%. Delivered 20+ user flows, wireframes and high-fidelity screens. Cut design/development rework by 30% through clearer specifications and handoff.

Creaxa Agency | UI/UX Designer | 2024-2025

Designed responsive web and mobile experiences across agency client work. Ran UX research, usability testing and built interactive prototypes. Reported a 30% increase in user engagement on key client projects.

Freelance UI/UX Designer | Upwork & Fiverr | Present

Delivered 50+ UI/UX projects across SaaS, mobile apps, landing pages and e-commerce. Maintained a reported 100% on-time delivery record.
